

FAIZAN AHMED

House no 16 Street 12 Munavar colony, Rawalpindi, Pakistan 46000 | +923375733260 | mmfaizan04@gmail.com

Professional Summary

I am a multi-talented Software Developer with a diverse background and a passion for excelling across multiple domains. With **3 years of experience in Flutter development**, **3 years in WordPress**, **2 years in graphic design**, and **1 year in UI/UX**, I bring a well-rounded approach to application and web development. Alongside this, I have **6 months of hands-on experience in cybersecurity**, focusing on application penetration testing and bug bounty hunting. I am driven by the challenge of solving real-world problems—whether through secure code, creative design, or efficient systems. I'm known for analysing operational needs and delivering solutions that reduce costs, increase revenue, and enhance client satisfaction. My **long-term vision** is to join a leading cybersecurity firm, where I can contribute to securing digital infrastructure while continuing to grow as a developer and security professional. I also love building applications that reflect my dual interests in development and cybersecurity, constantly seeking new learning opportunities in both areas.

- Coursework in communication and Presentation.

Career Overview

With over 3 years of hands-on experience in Flutter application development and WordPress website development, I bring both technical expertise and creative problem-solving to the table. Additionally, I have 2 years of experience in graphic design and 1 year in UI/UX design, which allows me to craft visually engaging and user-friendly digital products. Alongside my development career, I have been a long-time cybersecurity enthusiast and aspiring threat hunter, continuously learning and honing my skills in ethical hacking and system security.

My long-term goal is to become a cybersecurity expert, focusing on securing applications and systems on a global scale. While I currently work as a Flutter and WordPress developer to maintain financial stability and gain valuable industry experience, I remain fully committed to transitioning into cybersecurity professionally. I am passionate about delivering high-quality work, exceeding client expectations, and always meeting deadlines. Whether in cybersecurity, mobile and web development, or UI/UX design, I strive to ensure 100% client satisfaction while pursuing my career ambitions with focus and determination.
